

**The Cornerstone Coffeehouse Presents an Evening of
"Classic Rock Unplugged"
With Winchester's Premier Party Band, "SIX"**

Locals Return to Winchester for a Repeat Acoustic Performance

Winchester's self-acclaimed "premier party band", "SIX" will perform acoustic renditions of some of their classic rock repertoire in their hometown on Saturday February 4th at 7:30 PM. The "unplugged" format, popularized in the 1990s on by artists appearing on MTV, will be on display at the Cornerstone Coffeehouse (located at the Second Congregational Church of Winchester - 485 Washington St.). Tickets are \$10 (\$5 for students/seniors), and are available at the door. Coffee, tea, and a variety of desserts will also be available prior to the performance and during intermission.

Formed in early 2006, SIX covers classic rock and roll songs from the 60s to the 90s, ranging from the Beatles and Rolling Stones through Santana, Tom Petty and Van Morrison to The Clash, Matchbox 20 and beyond. While much of the band's music is quickly recognizable, with a focus on the best classic party tunes of the era that make both young and old want to get up and dance, the band also features "B-sides" and "Deep Cuts" of songs of well known rock bands which were aired more commonly on FM stations "back in the day." SIX performs regularly in the area for private parties and fundraisers (most notably the annual "Prom 'n Aid" fundraiser for the Winchester Foundation for Educational Excellence, which provides support for special projects at Winchester's public schools).

Five of the band's six (hence the name SIX...) members are Winchester residents. They include lead guitarist/vocalist Walter Ogier, guitarist/vocalist Bruce Lauterwasser, bassist/vocalist John Swartz, drummer Scott Gilmour, and keyboardist/vocalist Steve Bratt. Vocalist Stephen Cole (who also plays harmonica, bongos, and assorted percussion) lives in Cambridge, MA. Four of the six members of SIX, including Cole, sing in the choirs at Winchester's First and Second Congregational Churches, where the other two members of the band are also members. While SIX scrupulously avoids performing either traditional or modern choral repertoire, vocal harmonies are a key element of the band's sound.

The Cornerstone Coffeehouse is a volunteer-run series of concerts sponsored by the Second Congregational Church of Winchester, MA. The primary goal of the coffeehouse is to provide quality local entertainment in a smoke-free, alcohol-free environment. Proceeds from coffeehouse events are either used to fund the work of the church, or are donated to local charities. For more information, call 781-729-1688.
